# Explanation of New Rhythms and Notes

by Henry Cowell ~~M398298~~

In musical time a whole note (○) is the unit by which all shorter time values are measured, \_\_\_\_\_ for instance an eighth note (♪) is so called because it occupies one eighth the time of a whole note; a quarter note (♩) is so called because it occupies one quarter the time of a whole note, etc.

The only regular system of subdividing a whole note is by twos into halves, quarters, eighths, etc. If notes of other time values, for instance notes occupying one twelfth of a whole note are desired, they are called "eighth note triplets" and written as eighth notes, with a figure 3 over them, thus Why not call them twelfth notes, as would seem natural?

It is here proposed that all these irregular time values be called by their correct names, according to the part of a whole note they occupy. Thus are third notes instead of "half note triplets" since each occupies one third of the time of a whole note; are fifth notes instead of "quarter note quintuplets, etc. \_

Although heretofore not suggested in notation, it will be seen that third, sixth, twelfth and twenty-fourth notes form a related series; fifth, tenth and twentieth notes another, and in fact, that a new series can be formed on each odd number and its divisions by two.

A new notation which brings out these relationships will be used as follows:—

### Whole Note Series.

The first system of music consists of two staves. The upper staff (treble clef) contains a melodic line with eighth and sixteenth notes, some beamed together. The lower staff (bass clef) contains a more complex accompaniment with many beamed notes. A dynamic marking of *sf* (sforzando) is placed between the staves in the second measure.

The second system continues the musical piece with similar notation to the first system, showing the progression of the melody and accompaniment across three measures.

The third system shows further development of the musical themes, with the upper staff featuring more melodic movement and the lower staff providing a steady accompaniment.

The fourth system concludes the piece. It features a *rit. e dim.* (ritardando and diminuendo) marking in the first measure and a *ppp* (pianissimo) marking in the final measure. The notation includes various note values and rests, leading to a final chord.

The musical score is written for piano in 4/4 time. It consists of four systems of music. The first system is marked 'Andante e sostenuto' and 'Piano' (p). The second system features a triplet in the bass line. The third system includes dynamic markings 'poco più forte', 'dim.', and 'poco a poco crescendo'. The fourth system includes 'f più crescendo', 'ff', and 'marcato'. The score uses various accidentals and articulation marks throughout.
